

MultiDoc

up to 120 minutes document protection

Model above is
P352/354

Rosengrens MultiDoc is a complete range of fire-resistant document cabinets with a storage capacity for every need. The cabinets are available in five different sizes from the smallest cabinet with space for 16 binders to the largest cabinet with capacity for 70 binders. MultiDoc has a wide range of flexible interior fittings for efficient storage of documents and binders. The cabinets can also offer combined storage. By adding a special data insert you are able to store and protect data media such as CDs, DAT cassettes and DLT tapes in the cabinet. The whole MultiDoc range is tested and certified by SP to NT Fire 017 60P – 120P.

Extensible shelf for extra capacity
For P222–P254
Size 155x594x410

Fire protection: Rosengrens MultiDoc cabinets have been tested and certified by SP (Swedish National Testing and Research Institute), according to the Scandinavian norm NT Fire 017 to class 60 Paper and 120 Paper. This means that the cabinets will withstand a fire for 60 or 120 minutes.

Locks: As standard the MultiDoc range is fitted with Rosengrens resettable RKL-10 key lock. Alternative locking includes electronic or dual locking options.

Design: The design is functional and elegant and the cabinets blend in well in most environments with its light colour scheme. The door has a slam action feature, which means that you have just to slam the door to obtain full fire protection.

Quality and environmental management systems: The Rosengrens MultiDoc cabinets are all manufactured in accordance with the ISO 9001 quality management system and the ISO 14001 environmental management system.

Rosengrens Product Guidelines: The construction of MultiDoc has been tested and approved to the Rosengrens Product Guidelines which are based on all relevant European norms. The aim is to verify the user-friendliness, safety and product lifetime, thereby assuring customers that our products live up to the highest expectations.

Maximum storage capacity of DIN binders (75 mm)
